><p>''Tch! Do you think I'll be that afraid of you rogue samurais?'' The woman flipped her shiny silky brown hair to the side, clicking her tongue in annoyance.<p>

''BWOH!? Let me tell you this. When a woman is with a man alone, the man will always get to do what they want. . . Cheap.''

''Oh really? We'll see about that.''

Before he could struck his hand on her, she took her shuriken\* and pierced him in the heart. Seeing their leader dead, they charged at her with their katanas.

''This is going to be fun I see..'' She smirked deadly, revealing her nunchaku\* and hitting the katanas out from their grip. Seizing the opportunity, she threw her poisoned senbon\* straight in their vitals and hearts, all of them collapsed to the ground dying in shame.

''Ha. Do you want to take back your words now? Oh wait, you're dead already. So I don't think it's possible.'' She scoffed at them, her

luminous pink eyes hardened at their cold dead bodies.

'Time to report back to Master...'

''Who are you? And what has happened?'' They were wearing their bright blue coats. Obviously none other than the Shinsengumi.

''We will meet again. Captains of the 1st and 3rd division.'' The mysterious woman smirked as she leaped onto the rooftop, glancing back at their stunned faces before disappearing into the darkness of the cold night in Kyoto..

''Wait wait waiiittttt!'' Shinpachi stopped the buzz in the room.  
''So you mean that you actually saw a hot babe last night!? Dang why didn't you invite me!?''

Everyone just smacked their faces in sync while Shinpachi continued to grumble about not getting a girl and leading to how Sano keeps on stealing the girls.

''Aherm!'' Hijikita cleared his throat, getting the attention he needed. ''Now we have no idea who this woman is and need to know how she know us.''

''Umm.. Y'know, if you really wanted to know about me and all, you could

always ask me. Like, right now?'' A female voice interjected.

\*\*\*'Aaak!\*\*\* Everyone scrambled onto their feet, their hands on the hilts of their katanas and in a defensive stance.

The brunette looked at them, stunned before laughing at their reactions.

''Hahaha! W-Wait.. Don't tell me that you hadn't noticed me from just now?'' She grabbed onto her waist, bending over and laughing with tears spilling onto her cheeks. ''Omgosh! That was hilarious! Haha!''

'Hmm~' Souji smirked devilishly.

''Who are you and how did you get into our headquarters?'' Hijikita glared at the female intruder, getting straight to the point.

''Well apparently, '' She rolled her eyes and walked towards them. ''I'm a ninja. That's why I'm dressed up like this, duh. That will probably answer most of your questions.'''

As she indicated her ninja outfit, the men dropped their jaws at her figure. She donned on a tight fitting black long sleeved shirt that accentuates her slim waist and her female goods, tight fitting black tights that emphasized her long legs and a black cloth covering her face such that only her mesmerizing pink orbs could be seen, emitting a mysterious aura.

''And how do you know us?'' Hijikita pressed on, his guard still up and alive.

''Well duh, I'm a ninja. I'm suppose to know almost all the important identities that are useful for my missions. Otherwise, I'm a failed ninja to not know bout you Shinsengumi.'' She crossed her arms and rolled her eyes at their simplicity.

''I'm just here to convey a message to the captain of Shinsengumi, Kondou Isami. That's all.'' She swished her ponytail and walked towards the older man, handing him a letter.

''Eh?'' Kondou gaped at the letter in his hands. ''This is from whom?''

''My master aka Sanada Yukimura.'' The girl nodded her head to the captain with respect.

''That fox Sanada? Why, it has been a long time since I had talked to him. Wait... so I presume that you are that widely known female ninja in Edo?''

''The only female ninja? Yes. Widely known? Not sure bout that.'' The girl smirked behind the black cloth, her eyes showing mischief and boldness.

''It's been a long time since I met you!'' Kondou suddenly swept to his feet and squished the surprised female ninja in his embrace, chocking her in the process. ''You have grown up from a cute baby to a beautiful grown woman.''

\_ ''Tsukino Sora.'' \_

\* \* \*

><p>A really really really short chapter but that's all I can think of for the time being :P<p>

Please read and review and tell me if you want the ending to be good or bad and do you want anyone to die(which probably most will say no to that)

#### 4. The fight part 1

\*\*JUST TO LET YOU ALL KNOW, I'LL BE INSERTING BRAVE 10 CHARACTERS INSIDE BUT IT ISN'T ENTIRELY A CROSSOVER BECAUSE I'M ONLY FOCUSING ON MY OC, THE BRAVE 10 CHARACTERS ARE LIKE SUPPORTING ROLES SO I DON'T CLASSIFY THIS UNDER CROSSOVER.\*\*

\*\*I DO NOT OWN ANY HAKUOKI CHARACTERS OR BRAVE 10 CHARACTERS! I ONLY OWN MY OC, SORA! \*\*

\* \* \*

><p><strong><span>Sora's POV<br>\*\*</span></strong></p>>I mused at the looks of the other captains as they dropped their jaws.<p>

\_ 'Seriously? Are they really the captains of the notorious Shinsengumi?' \_ I smirked a little.

I bowed towards them in a dramatic manner.

''Tsukino Sora at your service.'' I winked at the gaping muscular man who wore a green bandana on his forehead. Just as I expected, he started to blush furiously and got really nervous.

\_ 'Tsk. Guys.'

><em>

> ''Sanada Yukimura? Man, who the hell is that?'' A mischievous voice rang out on my left.<p>

Feeling anger rushing in my veins, I pinned the guy to the wall, straddling on top of him as I pressed the tip of my dagger against his pale neck. I smirked at him in victory.

''I wouldn't like you to address my master in such a way. Now now, you wouldn't want to be poisoned by a woman, right? After all, '' I leaned towards his ear and grinned. '' You are the \_infamous\_ 1st Captain. ''

''Hmm.'' I heard him muse and stared straight into his green orbs which suggested mischief and danger. '' I'm glad you know. ''

I rolled my eyes and stood up, walking away from him. I bowed towards

Kondou respectfully, my right hand to my heart.

"'I'm afraid that I must bid you all goodbye. I have other things to be done. Excuse me.'" I nodded my head at the captains, and girl who cross-dressed as a guy, and turned back to look at Kondou. "'We will meet again, Kondou-sama.'"

"'I hope to meet you and Sanada soon as well.'" Kondou bowed.

Just then, Aoba, my partner's pet owl, tore a small part of the paper wall and flew into the room, perching on my shoulder.

"'What's up Aoba?'" I touched its beak fondly. "'I was just about to leave so go and tell Sasuke not to panick.'"

It started to hoot at a rapid speed that I nearly could not catch its message.

\_ 'The Boa Constrictor is back?! That means...'\_ I narrowed my eyes and gripped onto my katana on my right. \_ 'Okatsu...'

><em>

>'"I understand, Aoba. Go to Sasuke and help him.'" I ordered Aoba as it hooted back and flew away swiftly, to the direction of my partner.<p>

"'I'm afraid that I have to keep you all here in this room.'" I looked to them in all seriousness. "'I am ordered to keep you all safe here and no one to be out of the compound.'"

"'What's happening right now, Sora?'" Kondou gazed at me questioningly and in worry as the men in the room raised their protests.

"'I'm afraid this is top secret. But please be assured that I will be placing my life on the line to protect you and the rest of Shinsengumi.''"

"'We can help out you know. After all, we are the Shinse-'"

"'Shinsengumi or not, it is orders that I will abide. The dangers that are coming is not something which you can handle.'" I cut them off swiftly.

The ground started to rumble and move shakily.

"'Sora! Wh-!?''" Everyone gasped in shock at the creature that has emerged right before their eyes.

\* \* \*

><p><strong><span>No One's POV<br>\*\*</span></strong></p>

At lightning speed, ice froze it in its place, turning it into a statue and within minutes, it was shattered into many shards of ice.

"'Seriously.'" Sora muttered under breath.

"'The rest of you,''" She spoke with much authority that everyone

looked up to her as commanded. ''You better not interfere when I'm having my fun.''

''Well well well,if it isn't my long lost and dearly missed arch nemesis. Tsukino Sora. I was searching everywhere just to find you.'' A woman with dark purple hair tied in a ponytail and light purple eyes, donning on a light pink outfit, exposing her cleavage and a snake as her scarf appeared.

''Should I feel honored that you were specially looking for me,\_Okatsu\_?'' Sora laced her words with venom as Okatsu laughed and placed her hand above her heart.

''My my,you still hadn't learn to control your sharp tongue,have you? It hurts me so much,your painful words.'' Okatsu sent a bitchy smile.

''I was hoping that it will kill you. But that won't be fun for me,will it?'' The shorter girl smirked.

''Yah Shinpatsu...Are you interested in her?'' Heisuke whispered to the bigger-sized man.

''No way dude! She looks like Medusa no matter how big her boobs are!'' Shinpachi whispered back harshly, growling in insult.

''How nice of you guys to still be joking around at this point of time.'' Saito finally voiced out his irritated opinion, glaring at the two jokers who immediately shut up and looked away.

Sora did her best not to roll her eyes at the conversation taking place behind her.

''Hm? My,such handsome young men. This will make it even more fun.'' Okatsu purred as the other men shivered in disgust, all covering Chizuru to protect her at the least.

''Get men of your \*\*own\*\* age,slut.'' Sora glared at the lady momentarily who gasped and gave a deep growl.

''Why you little bitch! Ahh don't be so selfish Sora \_dear\_.'' The big breasted lady growling before smiling smugly.

''It's \_Tsukino\_,for you.''

''Hmm. Don't think I don't know that you are trying to keep these hotties to yourself to engage yourself in sexual activities with them. Since,haha,your ex lover didn't provide you with such pleasure.'' The woman cackled, throwing her head back and laugh like a mad woman.

''You are so pathetic.'' The brunette with blonde highlights scoffed. ''Really,just because you yourself act so lowly by seducing your enemy's boyfriend and fucking him right in front of her,it doesn't mean that she herself aka I will result in acting as low as you.''

''Shut up! I know you still feel hurt and pained over his betrayal! Ahahaha!''

Sora chuckled softly and glanced at her with teasing eyes that hid a murderous intent for the woman.

"Huh. I'm sorry for disappointing you then. Although, you should know by now that I'm not that weak. Now let's cut off all introductions and get back to business. If you touch a single hair on these people, I won't promise you a quick and easy death."

"Don't be so possessive over those cutie-pies~ After all, sharing is caring~" The snake woman sang as a distraction.

"I'm really hurt, you know. You really underestimated my skill, so much that you used the same tactic from past over year again yet again." Sora glared with much fire in her eyes before smirking.

\*\*\_ "How boring."

><em>\*\*

>The other woman snapped in anger at the two words.<p>

"\*\*How dare you!?" I'll make sure it's so exciting for you and your little friends, that they will see you gobbled down by my precious snakes as their lunch."

She seethed before the snake on her neck and a tangle of snakes from her chest shot themselves towards the girl.

"Nuh-uh. That's cheating," the girl sang as she swiftly cut down the snakes, removing her cloth from her face. "It's my turn."

Ice spears formed on her command and shot towards the hated woman, creating a ice bomb.

Before she could even get back to her stance, a snake sneaked up and bit her on her left cheek, near to her eye.

"Fuck!" Injured, she bit onto her lip from yelling out in pain, her head feeling oozy and her vision failing her.

"Like you said, my snake bites are deadly and poisonous. You shall lose your vision very soon. I am very sorry to say that I will disfigure your pretty little face soon, brat! \*\*HAHAHAHA!\*\*"

## 5. The fight part 2

\*\*OKAY GUYS I WILL BE CHANGING THIS UNDER THE CATEGORY OF CROSSOVER JUST IN CASE, LESS MY STORY GETS A WARNING AND SUED O.O OH AND IF YOU FOUND THIS CHAPTER VERY MUCH LIKE THIS STORY CALLED 'IS THIS LOVE?'

ON ,THAT'S BECAUSE I'M THE ONE WHO WROTE THAT STORY AND I WON'T BE CONTINUING IT BECAUSE I HAVE TOO MANY STORIES TO WRITE.\*\*

\*\*I DO NOT OWN ANY HAKUOUKI OR BRAVE10 CHARACTERS! I ONLY OWN SORA!\*\*

\* \* \*

><p><em>''Like you said,my snake bites are deadly and poisonous. You shall lose your vision very soon. I am very sorry to say that I will disfigure your pretty little face soon,brat! HAHAHAHA!''<br>\_

>''You fucker..Ugh..'' Sora collapsed to the floor,coughing out pools of blood.<p>

''Sora!'' Kondou called out in worry as Hijikita frowned,crossing his fingers that nothing would happen to her. Chizuru looked at Sora in worry,wanting to budge in stop the intruder from hurting Sora while the others did their best to restrain the stubborn girl.

''Don't worry. I'll be a disgrace to be called Yukimura-sama's ninja if I fall just by this tiny bite.'' Sora staggered up onto her feet,cold sweat breaking out as she wiped the blood on her lips with her sleeve.

''How weak. Just like in the past.'' The older woman smirked.

''Such nice friends. But what a pity,I have to end them.''

Snakes once again appeared and slithered towards them at high speed,about to attack before they got cut off by the head by a katana.

''One. They \*\*aren't\*\* my friends. Two. Don't bullshit with me,bitch!'' Sora growled. ''You are to attack me only.''

''Hmph.'' The snake woman's lips graced a smirk. ''Very well. However,I shall allow them to witness your death by me!''

Okatsu stretched out her hands and chanted a chant,millions of snakes surrounding them all,not allowing them to have an escape. Okatsu giggled as she straddle Sora to the ground,the girl struggling with horrible positioning.

''Seriously though,'' Sora winced at the laughter. ''Not that you are ugly or anything. But I would rather be straddled by a man than a woman with big boobs. It's a really big turn-off for me,y'know. Can we please change the position? I wouldn't like to keep facing your boobs.''

''Too bad.'' Okatsu mused and breathed out a spell of hers,controlling everyone's movement.

''Were you eating onions? Cause,phew,your breath \*\*\_stinks\_\*!''

''Hahahaha! Talk to your fullest,my dear.'' The older lady laugh while the captains plus Chizuru shivered,disgusted by the scene laid before them but unable to turn their positions.

''Magic.'' Sora narrowed her eyes at Okatsu.

''Who knows?'' She winked at the girl beneath her. ''I'll let you enjoy this to the fullest!''

''Ummm...I'm interested in men than in women and having you on top of me, isn't really my idea of enjoyment. I don't care if you are a lesbo but I'm not into such activities with women, y'know?'' Sora sweatdropped when she saw Okatsu moistened her lips, gulping.

Okatsu stretched out her tongue, only to see a dagger blade at the tip of her tongue, making the bystanders of Shinsengumi get tensed for the female ninja.

\_'Orrrrr...maybe not?'\_ Sora threw up in her mind.

''So, where would you like me to start? Ahhh...I know. Let me cut up your clothes to let you be naked under many eyes!''

''Sadist.''

''Thank you.'' Okatsu purred and sliced open the top half of Sora's shirt, revealing her chest bandages that covers her womanly goods.

A sudden gust of wind blew through the ball of snakes as everyone heard the voice of a sadist man. The magic wore off due to the gust of wind and Sora took this opportunity with Okatsu distracted by the voice of her really sadistic comrade, kicking Okatsu off her and set an ice shield before Kondou and the others.

''Be good and don't move.'' Sora grinned to them and ran towards at lightning speed with her katana ready to slay her enemy.

Okatsu, predicting Sora's move, kicked the weakest part of her legs, causing Sora to fall on the ground.

''Fuck!'' Sora screamed and winced as Okatsu wrapped her legs around Sora, binding her tightly.

''I will bind you so tight like a snake that you'll die due to a lack of oxygen!'' Okatsu positioned Sora's hand such that her katana was below the area where her heart is. ''Now let's see how you will cut people down like this.''

\*\*\*\*NO!\*\*\*\* Kondou and Hijikita shouted as Okatsu prepared to stab her poisonous dagger into Sora's neck when a blade was stabbed right into her heart.

Okatsu's eyes widened as she felt her body getting weaker, falling onto her back as Sora pulled out the katana from her own body, feebly standing up from excessive blood loss.

''Y-You stabbed through yourself...'' Okatsu gazed at the pale looking girl. ''I never thought I will get to say this but... I have always admire you.''

Sora nodded at the older lady's compliment and then stabbed Okatsu's heart once again before pulling out her bloodied katana. Shattering

the ice shield she had placed before the Shinsengumi, she then fell onto her knees and laid on the ground.

''I'm..so worn out..'' She groaned as Kondou and Hijikita ran towards her.

\*\*\*''Sora! Hang in there!''

><strong>

>''Shut up...I want to rest..''<p>

\* \* \*

><p><strong><span>-Sora's POV-<br>\*\*

>''My, how have you been my friend!'' Sanada greeted Kondou jovially as I sat with my team, my wound bandaged firmly and tightly, poison in me removed in time.<p>

''Indeed, it has been a long time since we have met! Hahaha!'' Kondou laughed.

''Would it be okay if my ninjas and I could take shelter here for a period of time? We won't need any rooms so need not worry bout that..''

''I don't see why not!''

''I knew I could trust you, Isami. Haha!''

>The shaggy brown-haired man scanned the captains in the room, his chestnut eyes sparkled in mischief. He lifted his lips into a half-smile as he lifted his arms to take a sip from the teacup.<p>

''By the way, is there by any chance that one of your captains can go through an arranged marriage with my female ninja?''

\*\*\*''EEHHHHHHH!?'!'' ''WAIT! I'M STILL YOUNG! I HAVEN'T SEEN ENOUGH GIRLS YET!'' ''NOOOOOOOOOOO~!''\*\* Sounds of astonishment and protest filled the room, every single man looked up at Sanada in shock

''S-Sanada! That...I-Isn't that a bit...'' Kondou sweatdropped at the request Sanada posed.

''What's the matter? Don't worry she's prettier than any other Geisha from any teahouse and has a really great figure but mark my word, she sure is deadly. Hahaha!'' Sanada laughed boisterously as I sweatdropped.

''Sanada-sama,'' I seethed through my teeth. ''You do know that I am right here right?''

''Oh yes! Come come, and let me have a lap pillow.'' Sanada grinned and waved his hands innocently to me as I smacked my face.

''Hentai..''

''Now now...That's really mean of you \_Tsuki-chan\_...'' Yukimura gave her his watery puppy eyes.

''Don't call me that, you old hag!'' I glared furiously at him, half angry and half embarrassed.

''That's even worse, my daughter! Don't act like this to your one and only papa!''

''I'm not your daughter!''

The Shinsengumi looked on at the amusing duo bickering, one hurling insults, the other hurling pitiful faces. A very funny entertainment indeed.

''Stop this marriage crap thing, Sanada-sama.''

''Eto... Who are these people, Sanada-sama?'' The light blue haired girl aka Isanami interrupted curiously.

''Ahem. I think it'll only be proper for us to introduce ourselves also to this lady.'' The small girl looked up and saw Kondou smiling kindly at her. ''I'm Kondou Isami, unfortunately Yukimura's dojo friend. It's very nice to meet you.''

''Yah yah don't say as if it's a torture to know me.''

''But it is.''

''I'm Todou Heisuke! You girls can call me Heisuke since we seem like the same age.'' A long brown-haired man, his hair tied up into a high ponytail grinned at me and Isanami.

''Harada Sanosuke. You can call me Sano.'' The redhead winked charmingly before his friend pushed him aside and gaped at the embarrassed Isanami.

''I'm Nagakura Shinpachi. Call me Shinpachi ne? You're one hot babe, Sora-chan! Wanna spend a night with me and my muscles?'' The man with a green bandana wiggled his eyebrows 'seductively' before getting a punch on his head by Harada.

''You're going to scare them baka!''

''No I'm not!''

I smirked and winked at him playfully.

''Ahem. I'm Sannan Keisuke. They all call me Sannan-san.'' The scholarly looking man mused, smiling softly, sending unexpected shivers down my spine.

''I-I'm Yukimura Chizuru! I-Is your injury okay?'' The timid looking girl looked at me with her big brown doe-like eyes. I smiled at her gently.

''Yep. Thank you for bandaging me up!''

''Saito Hajime.'' The indigo-haired man with his hair tied into a side ponytail introduces, a faint blush could be seen on his cheeks.

''Okita Souji. We should have a spar with each other since both of us do have the pleasure of killing people, Sora-chan.'' I smiled cattily at that comment, recalling how I had pinned him beneath me.

\_ 'Not a nice feeling when the same gender does that.' \_ I winced at the memory of Okatsu mounting on top of me.

''Why not?'' I playfully grinned.

''Hijikita Toshizo. Seriously, Sora-chan. When are you gonna stop making me worried?'' Hijikita sighed at me as I grinned.

''\*\*\*E-EH! ?\*\* H-Hijikita-san c-called Sora-chan \_ 'Sora-chan' \_ !?'' The captains widened their eyes in astonishment while I giggled uncontrollably, clutching onto my stomach.

''\_Toshi-kun\_ ~ You must have scared them so much that they didn't even expect you to call me by my name! Hahaha! ''

\*\*\*EEHHHH! ? 'TOSHI-KUN' !?''\*\* The others echoed and Hijikita immediately sent them a death glare, shutting them up immediately.

''Pfft! Ahahahaha!'' I snickered and Hijikita sighed.

''Sora-chan, don't call me that in front of them. ''

''Awwww~ Is Toshi-\_chan\_ embarrassed?'' I smirked playfully as he sent a death glare towards me.

''Wait.. How did you guys know each other?'' Souji interrupted.

I just shrugged my shoulders. ''Childhood friends. Man, Toshi-kun you were so handsome when you were younger. What \*\_happened\_\* when I was gone? ''

''Shut up!'' Hijikita growled as I laughed at his reaction.

''Kirigakure Saizo, an Iga ninja.'' Saizo introduced himself.

''Kamanosuke Yuri, leader of a group of brigands who traps people on a bridge and attacks them and robs them. I love to kill people and slice them, watching their blood flow! My techniques are mostly wind manipulation.'' Kamanosuke stated proudly.

''Used to, you mean.'' Saizo interrupted. ''He's a girl. ''

''S-Shut up! I'm a boy! ''

''Unno Roruko, Sanada-sama's page. I can emit ultrasonic waves to make opponents of Sanada-sama unconscious. ''

''Sarutobi Sasuke, a member of the Koga Ninja and head of Sanada-sama's ninja squad. Ninja technique is animal manipulation. ''

''Nezu Jinpachi, the head of a band of pirates controlling Lake Biwa. I control the thunder so just give me sake and I won't strike you.''

''Like I've said, used to.'' Saizo interrupted again.

''Juzou is Kakei, a samurai, only loyal to Sanada-sama.''

''Miyoshi Seikai Nyudo, brother of my Isanami! Don't you guys dare to hit on her!''

''Nii-chan!'' Isanami interrupted in protest.

''I'm Benmaru! My real name Mochizuki Rokuro and I love to make traps and play with gunpowder!''

''I'm Isanami! Nice to meet you! I love to eat food!''

''Glutton.''

''You're so mean, Saizo!''

''Soooooooo...'' Sanada interrupted. ''Are you sure \*\*none\*\* of you want to marry my baby!?''

''....Sanada-sama, we have been through this a thousand time. \*\*I. AM. NOT. MARRYING. ANYONE.\*\*''

''B-b-but I wanna see you in a bridal kimono!'' Sanada whined and faked a wail as I smack my face in defeat.

''Are you okay though, Sora?'' I looked up and saw Kondou looking overly worried.

''I'm okay! Haha! Don't worry, Kondou-sama.'' I smiled cutely at him.

''Nyahahahaha! I see my little girl is working her way into all of your hearts! That's so awesome of you, my little girrrlllll~! C'mon let daddy give you a huggie~!''

Sanada tried to glomped me but I safely dodged and ran towards help, kneeling beside Sanosuke, causing him to jump up in shock.

''W-when were you here?''

''Hehe... Just?'' I winked at him playfully.

''C'mon! Daddy is very proud of his dear daughter! So don't hesitate to receive your reward!''

Sanada was seen sent flying to the other end of the hall.

''You do know how much I hate your hugs.''

''I do know how much you love me.''

''Shut up.''

''Teehee! Sora-chan has many guys falling for her~!''

''Not you too...''
